Enfield Sports Limited may use credit reference (CRA) and fraud prevention (FPA) agencies to help us make decisions. How we, CRAs and FPAs will use your information is detailed below.

By **confirming your agreement to proceed** you are accepting that we may each use your information in this way.

How we will use your data

1. We will search at credit reference and fraud prevention agencies for information on all applicants. In so doing we will provide current and previous names, addresses and dates of birth, of all parties. **If you are providing information about others, on a joint application, you must be sure that you have their agreement.** If you give us false or inaccurate information and we identify fraud, details may be passed to credit reference and fraud prevention agencies.
2. We will use the information provided to us by credit reference and fraud prevention agencies to help make credit or credit related decisions about all applicants, to verify their identity, for the prevention and detection of fraud and/or money laundering, and to manage accounts. We may use scoring methods, which may be automated, to do this. If you borrow from us and do not make payments that you owe us, we will trace your whereabouts and recover debts.
3. When credit reference agencies receive a search from us they will place a search "footprint" on your credit file whether or not this application proceeds. If the search was for a credit application the record of that search (but not the name of the organisation that carried it out) may be seen by other organisations when you apply for credit in the future.
4. Credit reference agencies will supply to us, public information such as County Court Judgments (CCJs) and bankruptcies, electoral register information and fraud prevention information on applicants' and their known financial associates current and previous names, addresses and dates of birth.

How your data WILL be used by credit reference agencies:

5. The information which we and other organisations provide to the credit reference agencies about you, your financial associates and your business (if you have one) may be supplied by credit reference agencies to other organisations and used by them to:
 - 5.1. Prevent crime, fraud and money laundering by, for example checking details provided on applications for credit and credit related or other facilities
 - 5.2. Check the operation of credit and credit-related accounts
 - 5.3. Verify your identity if you or your financial associate applies for other facilities.
 - 5.4. Make decisions on credit and credit related services about you, your partner, other members of your household or your business.
 - 5.5. Manage your personal, your partner's and/or business (if you have one) credit or credit related account or other facilities.
 - 5.6. Trace your whereabouts and recover debts that you owe.
 - 5.7. Undertake statistical analysis and system testing.
 - 5.8. Credit reference agencies can also be fraud prevention agencies

How your data MAY be used by fraud prevention agencies:

6. The information which we provide to the fraud prevention agencies about you, your financial associates and your business (if you have one) may be supplied by fraud prevention agencies to other organisations and used by them and us to: -
 - 6.1. Prevent crime, fraud and money laundering by, for example;
 - 6.1.1 checking details provided on applications for credit and credit related or other facilities
 - 6.1.2 Managing credit and credit related accounts or facilities
